

Recreational Vehicle Management Program

Concept – You select and purchase a new motor home or travel trailer from Seattle RV. We will then rent it out and provide you with **50% of the Rental Revenue** which will substantially reduce the cost of ownership.

Unlimited Personal Use – Your RV is available to you anytime you choose to use it. It is always clean, fully prepped and ready to go when you pick it up. There is no cost to you for this convenience.

Maintenance and Storage – Seattle RV will perform all regular maintenance **free of charge**. Storage of your RV is free of charge year round. We invite you to visit our Everett, Washington location and see the superb condition of our RVs.

Rental Experts – Seattle RV has over 32 years combined experience in the RV rental industry. This experience and knowledge along with our ability to attract rental from around the world make us, and you, successful.

Growing Market – The rental market is growing and will continue to grow. This is due to demographic trends in population, an increasing interest in nature and family values consistent with RV vacations and, of course, Seattle RV's commitment to providing quality vacations.

Tax Advantages – The program is structured in a way that can reduce the amount of tax you pay. Additionally, you can end up purchasing an RV with before tax dollars. IRS Section 179 is available in 2009 for up to a \$250,000 deduction. AND The best part is you pay ***NO SALES TAX*** on your purchase.

Affordable – Find out for yourself what hundreds of people have discovered – a way to have countless vacations at an affordable price. This is an opportunity to own an RV that many people thought they could not afford. They took the time to talk with us and have been enjoying their RV ever since.
